Casey Sherman, Dave Wedge : Boston Strong: A City's Triumph over Tragedy before purchasing it in order to gage whether or not it would be worth my time, and all praised Boston Strong: A City's Triumph over Tragedy:

3 of 3 people found the following review helpful. Simply AmazingBy Carla N
This book, written from a High School classmate Casey Sherman was so moving its hard to put into words. Typically I am not a reader, I initially bought the book in support of Casey, and from the first page I couldn't put it down. I finished the entire book in less than 2 days. It was beautifully written and was a fantastic story of a tragedy but was written about the heroism and the survivors and very little about the terrorists which is so refreshing to see something written not glorifying the terrorists. Must read book Cant wait until the movie comes out with Mark Wahlberg
0 of 0 people found the following review helpful. It's the real dealBy Bre Branco
This is a well written account of that fateful day in Massachusetts at the Boston marathon. My only regret is that the trial was not covered, maybe another book? The facts, and information fills in the big gaps we did not hear in the news or new programming. I have to admit, i'm so glad i wasn't there...just the grim scene alone was so factual and damned scary
4 of 4 people found the following review helpful. Very MovingBy Tasha
Although these events took place just under two years ago, it's easy to forget some of the details. This non-fiction account reads like a thriller and is hard to put down. Highly recommended.

Veteran journalists Casey Sherman and Dave Wedge have written the definitive inside look at the Boston Marathon bombings with a unique, Boston-based account of the events that riveted the world. From the Tsarnaev brothers' years leading up to the act of terror to the bomb scene itself (which both authors witnessed first-hand within minutes of the blast), from the terrifying police shootout with the suspects to the ultimate capture of the younger brother, *Boston Strong: A City's Triumph over Tragedy* reports all the facts—and so much more. Based on months of intensive interviews, this is the first book to tell the entire story through the eyes of those who experienced it. From the cop first on the scene, to the detectives assigned to the manhunt, the authors provide a behind-the-scenes look at the investigation. More than a true-crime book, *Boston Strong* also tells the tragic but ultimately life-affirming story of the victims and their recoveries and gives voice to those who lost loved ones. With their extensive reporting, writing experience, and deep ties to the Boston area, Sherman and Wedge create the perfect match of story, place, and authors. If you're only going to read one book on this tragic but uplifting story, this is it.

“Gripping. . . . *Boston Strong* should make a helluva movie. The behind-the-scenes details make for a riveting read!”—The New Haven Register
