Ernie Pyle : Brave Men before purchasing it in order to gage whether or not it would be worth my time, and all praised Brave Men:

Europe was in the throes of World War II, and when America joined the fighting, Ernie Pyle went along. Long before

television beamed daily images of combat into our living rooms, Pyle's on-the-spot reporting gave the American public a firsthand view of what war was like for the boys on the front. Pyle followed the soldiers into the trenches, battlefields, field hospitals, and beleaguered cities of Europe. What he witnessed he described with a clarity, sympathy, and grit that gave the public back home an immediate sense of the foot soldier's experience.
