SlocumI used this book to recreate a WW II Scottish uniform to participate in WW II re-enactments.0 of 0 people found the following review helpful. Collectors Must HaveBy James KatzensteinThis book is an absolute must for any British WWII Collector! The amount of information that the author gathered is beyond imagination. The only down side is all illustrations and photos are in BW.

Every badge or insignia of the British army that saw use during World War II is included in this revised edition. The text is accompanied by many photographs and drawings.
