A photo of my maternal great-grandfather, that my 92 year old mother has never seen. What a trill to see this photo. Sargent Joseph Brueggemeyer of the Ohio 1st Light Artillery (page44) He was wounded at Kenesaw Mountain, Ga.2 of 2 people found the following review helpful. Fills a voidBy Darryl R. SmithNot much I can add to the previous review, other than being a Buckeye I am amazed at the lack of titles about Ohio troops in the Eastern Theater, and particularly with the Army of the Potomac. This title goes a long way to filling that void, very detailed, and while I consider myself very knowledgeable on Gettysburg and the general role of the Ohio troops engaged there, this work has added greatly to my knowledge. Any student of Gettysburg should own this book, as should anyone with a passing interest in the history of the Buckeye State.0 of 0 people found the following review helpful.
