U. R. Brooks : Butler and His Cavalry in the War of Secession, 1861-1865 (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Butler and His Cavalry in the War of Secession, 1861-1865 (Classic Reprint):

1 of 1 people found the following review helpful. Hopeful even in defeat, they rode to death dauntlessly and won

many a field...equaled by few, surpassed by none. By Jesse First person accounts of cavalry battles that come alive on the page. Not just historical reports of battles, but actual stories by a participant. It is painful, however, to read about the bravery and daring of the Confederates, and know that despite their total dedication to the Great Cause, they would lose the WBTS. I read the book with deep sorrow and love for our Confederate ancestors. I bought this book at the Confederate Relic Room and Military museum in Columbia, S.C. when the curator recommended it to me.

Excerpt from Butler and His Cavalry in the War of Secession, 1861-1865 An old man living in Kentucky during the Secession War had two sons; one enlisted in the Confederate Army and the other in the United States Army. Within twelve months one was brought home dead, and within a short time the other was brought home like his brother, having also been killed in battle. Both were buried in his garden side by side and this inscription was placed upon the monument: God alone knows which was right. It is not left with me to decide who was right or who was wrong. I think that some one should write a history of the gallant deeds of the men who composed the brigade to which he belonged. I have attempted to write the history of Butler and his Cavalry. Though very imperfectly done, I console myself because it was the best I could do. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
