**Ernest B. Furgurson : Chancellorsville 1863: The Souls of the Brave** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chancellorsville 1863: The Souls of the Brave:

0 of 0 people found the following review helpful. Populist writing with good detail. By Brian Excellent....fair amount of backstory...0 of 0 people found the following review helpful. Praises for this one!!! By hector17 Really good book told in a concise way. Easy enough to read and understand. Author had good knowledge of the subject 0 of 0 people found

the following review helpful. Five StarsBy heidi schreckenbachGreat read.

For 130 years historians and military strategists have been obsessed by the battle of Chancellorsville. It began with an audaciously planned stroke by Union general Joe Hooker as he sent his army across the Rappahannock River and around Robert E. Lee's lines. It ended with that same army fleeing back in near total disarray -- and Hooker's reputation in ruins. This splendid account of Chancellorsville -- the first in more than 35 years -- explains Lee's most brilliant victory even as it places the battle within the larger canvas of the Civil War. Drawing on a wealth of first-hand sources, it creates a novelistic chronicle of tactics and characters while it retraces every thrust and parry of the two armies and the fateful decisions of their commanders, from Hooker's glaring display of moral weakness to the inspired risk-taking of Lee and Stonewall Jackson, who was mortally wounded by friendly fire. At once impassioned and gracefully balanced, Chancellorsville 1863 is a grand achievement in Civil War history.

"A fascinating account of a fascinating -- if terrible -- battle."-- Tom WickerFrom the Publisher" This eloquent narrative will become the standard study....It captures both the human drama and the tactical complexity of the battle in lucid, sparkling, prose."--James M. McPhersonFrom the Inside FlapFor 130 years historians and military strategists have been obsessed by the battle of Chancellorsville. It began with an audaciously planned stroke by Union general Joe Hooker as he sent his army across the Rappahannock River and around Robert E. Lee's lines. It ended with that same army fleeing back in near total disarray -- and Hooker's reputation in ruins. This splendid account of Chancellorsville -- the first in more than 35 years -- explains Lee's most brilliant victory even as it places the battle within the larger canvas of the Civil War.
