Rev. J. William Jones D.D. : Christ In The Camp: Or Religion In The Confederate Army before purchasing it in order to gage whether or not it would be worth my time, and all praised Christ In The Camp: Or Religion In The Confederate Army:

1 of 1 people found the following review helpful. Excellent bookBy CustomerVery good book telling the story of the religious movement - revival within the confederate army, with the added benefit of coming not from a historians speculation but from one of the leading chaplains within the confederate army. The accounts of this book are thrilling

and convicting, and the work of the preachers of the south is inspiring for preachers today to keep holding forth the word of life, the privations we may encounter today pale in comparison to what these men bore so gallantly!1 of 1 people found the following review helpful. Five StarsBy MikerGreat book. Worth every dollar. Full of factors.1 of 1 people found the following review helpful. Historically significant bookBy J. A. Barton CampbellOutstanding historical account of important aspect of the War Between the States; Both history buffs and Christians in general will find this book excellent.

Published in 1887, this is the history of religion and Christianity in the Confederate Army and the Christian revivals which took place in the Confederate States Army during the Civil War.
