John Henrik Clarke, John H. Clarke : Christopher Columbus and the African Holocaust: Slavery and the Rise of European Capitalism before purchasing it in order to gauge whether or not it would be worth my time, and all praised Christopher Columbus and the African Holocaust: Slavery and the Rise of European Capitalism:

0 of 0 people found the following review helpful. Great historical facts told by one of the greatest minds By Kareem

ParrisGreat historical facts told by one of the greatest minds. A true look at Columbus and not the school system's version.0 of 0 people found the following review helpful. Small book, but a lot of information.By TommyEven though it is a small book it packs a lot of information, that honestly surprised me!4 of 5 people found the following review helpful. The truh about Slavery!By Prince HeruThis exposes the truth about Christopher Columbus. All the things the history books wont tell you. he was no hero to Africans and Native American people. Get this book now!
