Chuck Dixon, Gary Kwapisz : Civil War Adventure (Dover Graphic Novels) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Adventure (Dover Graphic Novels):

1 of 1 people found the following review helpful. an Australian perspective.By peter richardsonEnjoyed the above and always admired the Chuck Dixon and his involvement in great comics artwork etc. ever since the early days. Am a big Civil War buff considering I am an Australian and the closest I got to the battle fields was on a trip to Arizona and we travelled from Tucson where I was staying to Phoneix and when passing the Piccacho Mountain I was asked if I was a

Civil War buff and replied I had books on the Civil War which I had not ,at that time ,read as I had difficulty in knowing who was fighting for the North and who was fighting for the South.Became clearer when the I got to see "Gettysburg " based on "Killer Angels ",on DVD. now my books on above are in the hundreds and have plenty of same in dvd collection. Civil War Adventure arrived early and was duly read early and will be read again. Well done----- Pete R.0 of 0 people found the following review helpful. Much more morbid than I would have thought. Almost ...By TimCMuch more morbid than I would have thought. Almost depressingly so. Will drawn and well written, just a little too dark for me.0 of 0 people found the following review helpful. Three StarsBy David J Rogersshort

"There's plenty of battlefield chaos, to be sure, but the tales are clearly a product of meticulous research and loaded with insights into the monotony and terror of fighting in a war." BooklistTake aim alongside a thin line of Union sharpshooters at Gettysburg. Ride with John Mosby, the South's greatest raider, on a daring foray inside Union lines. Dodge grapeshot and cannonballs on a journey down the Mississippi aboard the Union Ram Fleet. These ten gripping tales from both sides of the conflict recapture the excitement, history, and tragedy of the American Civil War. In addition to fictional stories set within historical events, this illustrated anthology includes excerpts from biographies and eyewitness accounts, a timeline, and several maps. Fact pages following each story provide fascinating details.Formerly available only in an extremely limited edition, Civil War Adventure combines the talents of Eisner-nominated author Chuck Dixon, the writer of such popular series as Batman and Green Arrow, and artist Gary Kwapisz, best known for his illustrations for Marvel Comics' The Savage Sword of Conan."This Civil War graphic novel mixes history, storytelling, and fantastic artwork to create stories of everyday people in America. Using historical accounts, detailed research, maps, timelines, and fact pages, Chuck Dixon creates stories that show how the war affected not just the Generals and Lieutenants but fathers and sons, families and friends. Overall this will serve as an excellent introduction to the civil war." 142media

From the Back Cover"There's plenty of battlefield chaos, to be sure, but the tales are clearly a product of meticulous research and loaded with insights into the monotony and terror of fighting in a war."
