Two thumbs up to the author!By Sheree LaneI concede to the author's statement that civil war was the most deadly and probably the defining event of American history. As you read through the book you could witness the different battles fought and different revolutions just to obtain freedom and end slavery. I have read several history books of James Weber and I do admire the way he presents history facts in a brief, chronological, interesting and reader friendly manner. Two thumbs up for him!1 of 1 people found the following review helpful. Learned a lot from this bookBy Veronica HIt's always better to know the history of our country. It's interesting to learn histories of other countries. This book is quite interesting which will remind us of a noted event in American history. I will surely recommend this to the younger ones so they will know about this event in the history. This is really an informative one and a good read indeed.0 of 0 people found the following review helpful. A must read book in the contemporary situation.By Tom MackseyThe American Civil War was the most deadly and probably the defining event of American history, even more than the War of Independence. I have never read such a comprehensive book on American Civil War before I got this book. Today we can say that few events in American history impacted this country like the Civil War. Author describes the stages through American history has gone through till President Johnson officially ends Civil War in 1865. A must read book in the contemporary situation.

Do you want to learn how the bloodiest military conflict in American History began, was fought and ultimately won by the Allies Read about the 50 most important events of the Civil War, from the very beginning to the fall of the Confederate States. This book is perfect for history lovers. Author James Weber did the research and compiled this huge list of events and battles that changed the course of history forever. Some of them include: - Lincoln Inauguration (March 4, 1861) - Civil War Begins (April 12, 1861) - Union Troops Surrender at Ft. Sumter (April 14, 1861) - First Battle of Bull Run (July 21, 1861) - Monitor vs. Merrimack (March 9, 1862) - Antietam (September 17, 1862) - Emancipation Proclamation (January 1, 1863) - Gettysburg (July 1, 1863) - Battle of Spotsylvania (May 8, 1864 - May 12, 1864) - Battle of Cold Harbor (June 1, 1864 - June 3, 1864) - Sherman Burns Atlanta (September 2, 1864) - President Johnson officially ends Civil War (May 9, 1865) and many many more The book takes you through the most important events of the Civil War from before the beginning of the war in 1861 until its end in 1865. It contains all the major battles and fights. You will find pictures and explanations to every event, making this the perfect resource for students and anyone wanting to broaden their knowledge in history. Download your copy now!
