Good Solid Reference BookBy Dr. Phillip A. Callicutt, Creative Adventures In Leadership, LLC., St. Simons Island, GA.Older book first published in 1982 with great pictures and good solid information on a large variety of Civil War Guns used by both Union and Confederate men as they went to war. I would recommend this book to anyone wanting a quick reference book.0 of 0 people found the following review helpful. Five StarsBy Kurt A. KelleyGreat book !

An updated reprint of the 1960s classic. This encyclopedia of all small arms used by Union and Confederate soldiers in the great conflict is an absolutely necessary item for collectors, curators, and anyone with an interest in the weapons of the Civil War.
