Gregory A. Coco : Civil War Infantryman:In Camp, on the March, and in Battle: In Camp, on the March, and in Battle before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Infantryman:In Camp, on the March, and in Battle: In Camp, on the March, and in Battle:

3 of 3 people found the following review helpful. Another outstanding book by CocoBy C. M. ClarkeThis is a great short account of the life and times of the average Union infantryman during the Civil War, enlivened by lots of personal first-hand quotes. Along will Wiley's "Life of Billy Yank" and Robertson's "Soldiers Blue and Gray" it really gives a feeling for what it was like to be a Union soldier.0 of 0 people found the following review helpful. Great Doing business with you!By S. B. TaylorExcellent transaction. Book was just what I expected and description was accurate. Thanks!5 of 5 people found the following review helpful. This book is well written and extremely interesting.By A CustomerMichael McDonald, Downingtown Senior High Book Review: The Civil War Infantryman.The Civil War Infantryman, a fascinating book on the uniforms, equipment, and experiences of the infantry soldier during the American Civil War, by Gregory A. Coco. This book is well written and extremely interesting. It contains 14 chapters divided into 3 part: The Military Organization, Food and Equipment, and Campaigning and Fighting. The author goes into great detail with every subject in the book. Coco uses quotes and first-hand accounts written by the soldiers themselves to help give the reader an insight into the feelings and attitudes of the infantryman. It is a must for anyone

interested in the Civil War or military history in general. This reviewer highly recommends *The Civil War Infantryman*.

Book by Coco, Gregory A.
