George Washington Whitman : Civil War letters of George Washington Whitman before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War letters of George Washington Whitman:

0 of 0 people found the following review helpful. View from the trenchesBy Rodgers L. HarperVery different perspective on the Civil War through the letters of a fellow who participated in most of the major battles. Focus is on his personal experience and feelings and light on strategic view of the battle, but useful addition to a rounded view of the war from a foot soldier's view.
