William S. Connery : Civil War Northern Virginia 1861 (Civil War Sesquicentennial) (Civil War Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Northern Virginia 1861 (Civil War Sesquicentennial) (Civil War Series):

2 of 2 people found the following review helpful. Very extensive, but lacking in maps! By Sharon BoydThe

illustrations are good, the overall content is excellent. However, there could have been more coverage of the fortification of the Occoquan River line and Manassas Junction, and I was wanting more maps. The one that is included is way too small, and not very legible. 0 of 0 people found the following review helpful. Five Stars By Customer Good read. 0 of 0 people found the following review helpful. but not as good as others in this series By John P. Richley OK, but not as good as others in this series.

Join William C. Connery as he recounts the notable events and battles that occurred in Northern Virginia in 1861 after the firing on Fort Sumter. Beginning in May 1861, both the Confederate and Union armies assembled in Northern Virginia as politicians were deciding how and where the Civil War would be fought. Several months passed as both armies maneuvered and attempted to complete reconnaissance on the other. During this early time, the first officers on both sides were killed; Mount Vernon was declared neutral territory; the Confederate battle flag was adopted; and the first real battles of the war took place in Northern Virginia.

"As urban sprawl from our nation's capital continued over the years to transform such places as Falls Church, Vienna and McLean into what they are today, it is easy to forget what they were like in 1861. With this book, Connery has helped us to remember." --Civil War News About the Author Fairfax County resident William Connery is a member of the Company of Military Historians, the Capitol Hill Civil War Round Table, the Sloop of War Constellation Museum and the E.A. Poe Society of Baltimore. His previous book, *Civil War Northern Virginia 1861*, was awarded the Jefferson Davis Historical Gold Medal in June 2012.
