Civil War Preservation Trust : Civil War Sites: The Official Guide To The Civil War Discovery Trail before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil War Sites: The Official Guide To The Civil War Discovery Trail:

0 of 0 people found the following review helpful. A good example of this missing information is to follow the ...By CustomerAs a Civil War Buff that has visited and explored many small towns associated with the CW in many states.

I find that this guide does not list many of the historic homes and locations visited by the famous people associated with the CW. A good example of this missing information is to follow the Mosby Trail in Virginia and the Morgan trail in KY, IN, OH, and WV. There are many locations that can be visited that these 2 people are associated with that are open to the public to explore that are not listed in the guide. Another example is Union Col Grieson's raid in MS and LA. 2 of 2 people found the following review helpful. This turned out to be the single best book as it was concise. By Ken LI purchased four books for use in planning a one week trip to eleven Civil War battle sites. This turned out to be the single best book as it was concise, provided good directions and described the action and results of each battle. With this information we were able to agree on the battles we wanted to cover in more detail. 0 of 0 people found the following review helpful. Great book for exploring and mapping out civil war sites. By amused Excellent book for anyone looking to explore civil war historic sites. Been using every weekend to map out destinations.

This easy-to-use guide, completely revised and updated in clear, concise prose, features more than hundreds of sites in 31 states--solemn battlefields, gracious mansions, state parks, cemeteries, memorials, museums, and more. Specific directions, hours, and contact information help to plan the trip; evocative description and detailed maps help orient you when you're there. Also, boxed sidebars highlight select people and events of the Civil War.

From the Back Cover Discover the places where heroes were born and history was made.
