**Philip Katcher : Civil War Uniforms: A Photo Guide : Confederate Forces** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Civil War Uniforms: A Photo Guide : Confederate Forces:

1 of 1 people found the following review helpful. MAURO CASTAGNETTI, MODENA, ITALY By Mauro Castagnetti Interesting panorama of photographs on CS and US CIVIL WAR forces. I suggest also the book: "JOHNNY REB, the uniform of the confederate army, 1861-65" by Leslie D. Jensen. These two books are recommended for the first approach to the CIVIL WAR soldiers photography. 1 of 1 people found the following review helpful. well done By John M. Johnson excellent reference book 0 of 0 people found the following review helpful. Three Stars By Top Rock WISH IT HAD COLOR REFERANCES

Many of these photographs have survived to provide historians and enthusiasts with accurate data on uniforms and weapons. Hundreds of authentic replications are presented here with insightful captions pointing out details that the average observer might miss. Sometimes the faces themselves tell the stories, sometimes the clues lie in the number or placement of buttons or in insignia upon a breastplate. A chronology of major battles and turning points gives perspective, while a description of the purpose of each corps and squadron provides a unique viewpoint on the individuals. Uniforms and weapons are explained and illustrated in detail lending even more meaning to the photos

throughout.
