Leo This and ANYTHING written by Professor Robertson is guaranteed to be one of the best explanations based on incredible research and piercing insight. His book on "Stonewall" for example, is about 600 pages long PLUS 300 pages of footnotes. Professor Robertson should be designated a National Historical Expert. While his research and synthesis of

material is in the stratosphere, his writing challenges Tom Clancy's. Nothing dry in these books! 0 of 0 people found the following review helpful. Excellent. By BarryNVa Excellent reading, and to timely for the 150th . 1 of 1 people found the following review helpful. Fine Book! By BRIAN D THOMPSON I have owned this book in the past it got away from me. Its return was welcome as this is a fine concise history by a great historian.

This book by acclaimed author, James I. Robertson, Jr., is a comprehensive guide book to all the major Civil War sites in Virginia. Robertson has put together a handy volume filled with fascinating, and sometimes, little-known facts. This guide includes the 26 major battlefields in Virginia as well as some of the smaller skirmishes.
