Carson O. Hudson : Civil War Williamsburg before purchasing it in order to gage whether or not it would be worth my time, and all praised Civil War Williamsburg:

5 of 5 people found the following review helpful. Excellent authorship/historianBy Evelyn S WallsWe had the privilege of hearing a lecture by Carson Hudson, a professor of History, while visiting Colonial Williamsburg. We found him to be engaging in his roles both as Historian/Lecturer and as a period-character of historical interpretation. Content and presentation were fabulous. This book is fascinating because it covers a semester's worth of historical content, sharing the significance of Williamsburg during the Civil War conflict. The most interesting thing about this book is that we always think of Williamsburg has the city that hosted the American Revolution; however, learning about Williamsburg strained under the hardships during America's second great conflict is equally riveting. He has photos and drawings of how Colonial Williamsburg looked during the mid-to-late 1800's. What a difference to what

the Revolutionary-era citizens saw, and what we see today, as present-day Americans who relive the Historical events that are reenacted daily when visiting the fully-restored Colonial Williamsburg to what it was in the 1700's.1 of 1 people found the following review helpful. good resourceBy CustomerI have been researching the Battle of Williamsburg and found this book to be helpful. Though the battle is briefly explained, there is a lot of information on Williamsburg Civil War sites and the town in general. This is a good resource.0 of 0 people found the following review helpful. Five StarsBy AJA++++++

In May 1862 the battle of Williamsburg was fought just outside of the quiet town. Union troops now occupied the city, and throughout the rest of the war, Williamsburg residents, who had enthusiastically supported the Confederacy, were forced to endure the indignities of living under Union military government. Civil War Williamsburg recounts the tragic, comic, and mundane events that made up life in Williamsburg during occupation.Back in print in time for the Civil War anniversaries Includes firsthand accounts and illustrations of the most important events and sites

About the AuthorCarson O. Hudson Jr. is a freelance writer and historian who lectures on the Civil War, pirates, and witchcraft for the Colonial Williamsburg Foundation. His credits include Cry Witch! and the Emmy award-winning Will of the People for Colonial Williamsburg. Published in conjunction with the Colonial Williamsburg Foundation.
