From Brand: Temple University Press : Claiming America: Constructing Chinese American Identities During the Exclusion Era before purchasing it in order to gauge whether or not it would be worth my time, and all praised Claiming America: Constructing Chinese American Identities During the Exclusion Era:

A collection of essays that center on the formation of an ethnic identity among Chinese Americans during the period when immigration was halted. It emphasizes the attempts by immigrant Chinese to assert their intention of becoming Americans and to defend the few rights they had as resident aliens.
