Dr. Preston Jones Ph.D. : CLEP® Western Civilization II Book + Online (CLEP Test Preparation) before purchasing it in order to gauge whether or not it would be worth my time, and all praised CLEP® Western Civilization II Book + Online (CLEP Test Preparation):

0 of 0 people found the following review helpful. Great Practice Questions! By CRunkI only studied about three days with this book before taking the test and I passed. Note, I am a history major and knew a lot of this already and just

brushed up on things. Some of the test questions from this book were almost identically to those on the test. My CLEP test had a lot of different political theory questions (communism, Marxism, etc.). My test really didn't have many photo questions. I would recommend this book for anyone needing to take this CLEP test. I actually wish I had taken more CLEP tests than classes because I could have easily passed other tests with these books. 0 of 0 people found the following review helpful. Not even close to sufficient!

By Jorge B Darr
So here is the deal. I bought this to study for my CLEP. I worked hard, reading the book, taking the online tests offered by coupon in the book, re-read parts, re-took tests until I was a strong 95%+ performer on all of the practices tests. I took the CLEP today, and found the material I studied only covered maybe 15% of the questions I faced. I squeaked out a 53 on the exam, but was darned lucky. The book and tests are informational, but sufficient on their own to prepare. Fortunately I had education in some relative areas that helped me over the top. Caveat Emptor!

2 of 2 people found the following review helpful. waste of money!!!!

By Anita
This book did not prepare me for the CLEP test. Test questions were nothing like the practice tests. The information in book did not cover all the details that were included on the test. I read this book 3 times and took the practice tests multiple times and was confident that I knew the material. The CLEP test appeared foreign - a lot of questions about things the book did not even mention. Very big disappointment.

Earn College Credit with REA's Test Prep for CLEP® Western Civilization II
Everything you need to pass the exam and get the college credit you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities.
