Collecting the Confederacy is the first scholarly photographic study of its kind. Finally, in one book, readers can explore the history behind more than 1,400 different artifacts, relics, weapons, and antiques, each of which played a

unique role in the 1861-1865 War Between the States.

“..provide(s) fundamental information for the serious collector Even many with much knowledge already on collectible and valuable Confederate war objects will like to have this coffee-table-quality work for its exceptional photographs--the next best thing to owning many of the items themselves.” (Midwest Book)
