Jeff W. Grigg : Combahee River Raid, The: Harriet Tubman Lowcountry Liberation (Civil War Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Combahee River Raid, The: Harriet Tubman Lowcountry Liberation (Civil War Series):

In 1863, the Union was unable to adequately fill its black regiments. In an attempt to remedy that, Colonel James Montgomery led a raid up the Combahee River on June 2 to gather recruits and punish the plantations. Aiding him was an expert at freeing slaves--famed abolitionist Harriet Tubman. The remarkable effort successfully rescued about 750 enslaved men, women and children. Only one soldier was killed in the action, which marked a strategy shift in the war that took the fight to civilians. Join author Jeff W. Grigg as he details the fascinating true story that became a legend.
