New InformationBy BlondeBlurI have read many books on the Korean War, and this book had descriptions of what it was like to be an Infantryman that were new information for me. I very much appreciated how the author wrote so that I felt like I was there with him, seeing what he saw, experiencing the feelings that he was feeling. The book needed some editing, but maybe it was richer for coming in the

author's wordings, unchanged. I found this to be a really good addition to my understanding of the Korean War.
