Lt. Gen. Arthur S. Collins Jr. : Common Sense Training: A Working Philosophy for Leaders before purchasing it in order to gage whether or not it would be worth my time, and all praised Common Sense Training: A Working Philosophy for Leaders:

0 of 0 people found the following review helpful. The best of the best written by the Number One all-time ...By BuyerThe best of the best written by the Number One all-time US Army expert on training. Still used in many countries as basic textbook. A glowing classic.0 of 0 people found the following review helpful. A good readBy Paul larsenGreat book. You will be surprised that the same issues this book discusses are the same issues we deal with

today.0 of 0 people found the following review helpful. A ClassicBy K. CruikshankEven though this book is out of date, the talking points are still relevant. Read this book with an open mind and don't expect it to answer all of your pressing curiosities. I believe every leader could get a wealth of knowledge and insight from this book and it's emphases on training.

"The best book on military training from platoon to division level that has been published in any army."--Army Magazine

About the AuthorLt. Gen. Arthur S. Collins, Jr., (1915–1984) graduated from West Point in 1938 and received an MA from George Washington University. He served in the U.S. Army for 40 years and was a combat veteran of World War II, Korea, and Vietnam. Collins commanded at every level from platoon to field army, before his 1974 retirement.
