Mark S Stowe : Company B 6th Michigan Cavalry before purchasing it in order to gage whether or not it would be worth my time, and all praised Company B 6th Michigan Cavalry:

0 of 0 people found the following review helpful. Excellent account of a cavalry companyBy Garry BWell researched and written account of B Company, 6th MI Cavalry during the Civil War. Follows a single company from its organization in Grand Rapids, through its campaigns in the east, including Gettysburg, the Overland campaign, with Sheridan in the Shenandoah Valley, the final destruction of Lee's army, and concluding with participation in the Indian campaign in Wyoming. More than just a recounting of battles it includes details on the lives of the men who fought

long hard battles and campaigns. A must for followers of the Michigan Brigade.0 of 0 people found the following review helpful. A very good historical account.By David DA thoroughly researched account of the 6th Michigan Cavalry, particularly Company B, from its inception in 1862 through the Civil War and, after that, fighting Indians on the great plains. Highly recommended.

This book is directed mainly to military historians and Civil War enthusiasts. A third edition originally published privately in 2002, it follows a company of Michigan Cavalry from its organization in 1862 to its disbandment in late 1865. Some individuals in the unit are followed throughout the book. The book shows details of life in the cavalry during the period, and problems encountered by both the men and their commanders. It was carefully researched over many years, and presented in a direct manner.
