**John W. Busey, Travis W. Busey : Confederate Casualties at Gettysburg: A Comprehensive Record ( A Four Volume Set)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Confederate Casualties at Gettysburg: A Comprehensive Record ( A Four Volume Set):

This reference book provides information on 24,000 Confederate soldiers killed, wounded, captured or missing at the

Battle of Gettysburg. Casualties are listed by state and unit, in many cases with specifics regarding wounds, circumstances of casualty, military service, genealogy and physical descriptions. Detailed casualty statistics are given in tables for each company, battalion and regiment, along with brief organizational information for many units. Appendices cover Confederate and Union hospitals that treated Southern wounded and Federal prisons where captured Confederates were interned after the battle. Original burial locations are provided for many Confederate dead, along with a record of disinterments in 1871 and burial locations in three of the larger cemeteries where remains were reinterred. A complete name index is included.

About the Author John W. Busey authored or co-authored four books about Gettysburg. He lives in Centreville, Virginia. Travis W. Busey operates an art business specializing in vintage photos and pencil portraits. He lives in Centreville, Virginia.
