Robert N Rosen : Confederate Charleston: An Illustrated History of the City and the People During the Civil War before purchasing it in order to gage whether or not it would be worth my time, and all praised Confederate Charleston: An Illustrated History of the City and the People During the Civil War:

0 of 0 people found the following review helpful. so I love learning the history of the cityBy Todd A. CashdollarMy mother spends winters in Charleston, so I have the privilege of visiting each winter. I am a Civil War buff, so I love learning the history of the city. "Confederate Charleston" has to be the best book out there, for reading about the subject I love so much!20 of 20 people found the following review helpful. Dozens of books combined in one!By A CustomerAs an avid fan of the Civil War, Charleston in particular, I've read about 40-50 books and I thought I'd read everything I could. I was wrong. This book alone has so many facts that I had never read and pictures I'd never seen. The author really went into detail about the city that I haven't found in any other book.15 of 32 people found the following review helpful. Both Charleston and history deserve betterBy Steve QuickMr. Rosen, who passes himself off as a native Charlestonian (after a mere three generations) should stick to practicing law. The book is attractive enough, almost indistinguishable from the Time-Life books that could be its template. It is, unfortunately a politically

correct, polemical treatise on Charleston as the cradle of slavery. In lawyerly fashion, facts are cherry-picked, amplified or ignored to drive home the point. Nullification is predictably underplayed. Is this another indoctrinated Southerner who feels he must 'dance naked before his sins' in order to tell his story or does he really believe this stuff? I'm keeping it for the illustrations, otherwise it would be the first book I have ever returned. What a terrible disappointment. I have been to this great city many times, and my own family spilled blood in her defense at Battery Wagner in 1863. The story of Confederate Charleston deserves a far better story-teller than this!

The Cradle of Secession's illustrious Civil War experience.

About the Author Robert N. Rosen, a founding member of the Rosen Law firm of Charleston, has practiced family law since 1973. He is a graduate of the University of Virginia (BA), Harvard University (MA) and the University of South Carolina School of Law (JD). He has been listed in The Best Lawyers in America for over ten years, is rated "A" by the Martindale-Hubbell law directory and is a fellow of the prestigious American Academy of Matrimonial Lawyers. Mr. Rosen has represented parties in numerous divorce, custody, support and property cases in Family Court, the South Carolina Court of Appeals and the South Carolina Supreme Court. He is the author of five books, including A Short History of Charleston. For more information, see www.Rosen-lawfirm.com and www.straighttalkscdivorce.com
