**R. Thomas Campbell : Confederate Navy Quizzes and Facts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Confederate Navy Quizzes and Facts:

3 of 3 people found the following review helpful. Everything about the C.S.N. you wanted to know. By Emilio E. Pellicer This book is excellent. Probably you won't find such a complete information and photos in one single "small volume". As a War-Between-The States enthusiast I think the author, -R. Thomas Campbell-, has accomplished his informative objectives.

Test your knowledge of the Confederate navy in America's most intriguing war.

About the Author R. Thomas Campbell has been studying and writing about the Confederate experiences in the War Between the States for many years. His four volumes published on the Confederate States Navy earned him the honor of being the first recipient of the Nathan Bedford Forrest History Award. He is the author of numerous naval titles including *Hunters of the Night*.
