**Ben Wynne : Mississippi's Civil War: A Narrative History (State Narratives of the Civil War)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Mississippi's Civil War: A Narrative History (State Narratives of the Civil War):

0 of 0 people found the following review helpful. Five StarsBy John COGreat fun to read history of the 2nd state to leave the union.0 of 0 people found the following review helpful. What I neededBy jd hankinsGood read! Enjoyed the

learning experience. 0 of 0 people found the following review helpful. Five Stars  
By Ravis L. Keene  
Great book

This book examines Mississippi's Civil War experience. It begins with an introductory overview of the socio-political climate of the state during the 1850s and ends with a treatment of Mississippi's post-war environment and the rise of Lost Cause mythology. In between, the work covers the pivotal events, issues, and personalities of the period. Wynne emphasizes the experiences of Mississippians—male and female, black and white—as they struggled to deal with the crisis. The political events leading to secession, Mississippians' initial enthusiasm for war, voices of dissent, the disbursement of troops in and out of the state, the home front, freedom for the slave community, waning enthusiasm (both in the military and on the home front) as the war dragged on, defeat, and the ultimate struggle to turn defeat into a moral victory through Lost Cause mythology are also discussed. This book makes significant contributions to Civil War literature.

About the Author  
A native of Florence, Mississippi, Ben Wynne serves as associate professor of History at the University of North Georgia. He is the author of *A Hard Trip: A History of the 15th Mississippi Infantry, 1861-1865* and other works related to the American South.
