**Fred O. Waters : Mizu-san: The World and War Through the Eyes of Hall of Fame Photographer Fred O** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mizu-san: The World and War Through the Eyes of Hall of Fame Photographer Fred O:

0 of 0 people found the following review helpful. A Good ReadBy Pickie Reader Mizu-san is a good read for anyone curious about the life of a war photographer in WWII, Korean conflict and Vietnam, as well as freelancing in the 1950's-60's. Mr. Waters tells it like it was, in his eyes and words, with no mincing around. This reader appreciated the

openness, clarity, even the brevity of this book, which tells a lot in its few pages. Waters does not hide his sometimes blunt opinions of people, situations, or even himself, but these opinions do not blur his fascinating snapshots of war and the world. You won't hear his stories in history class, and the photos are amazing.0 of 0 people found the following review helpful. Great read about an incredibly eventful life!By C. WileyThis is a great read about an amazing life of an incredible man. It keeps you intrigued and isn't too long. He paints a beautiful picture of the places that he has been and the many people he has met.2 of 2 people found the following review helpful. Beautiful Life Story!By JayTayWhat an amazing life story! Mr. Waters has seen the world like few others and shares his vast experiences with his readers. A wonderful look at a wonderful man and his life!

Alabama native, World War II veteran and long-time Associated Press photographer Fred O. Waters shares his remarkable life story as a Naval Seaman, Army journalist and hall-of-fame professional photographer. Travel with Waters as he enlists into the Navy at age 16, ships out for Guam and supports the U.S. military effort against the Japanese Empire. Continue Waters' first-hand account of enlisting into the Army and photographing the recovery of Japan after the atomic bomb drops on Hiroshima and Nagasaki. Following his military career, Waters remains in Southeast Asia and covers conflicts in Korea, Vietnam, Laos and many island nations. Eventually, Waters returns Stateside and embarks on a 25-year career with the Associated Press in St. Louis, Missouri, covering the Civil Rights Movement, floods, politics, athletics and the rigors of news gathering prior to the digital communications age.
