George Donelson Moss : Moving On: The American People Since 1945 (5th Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Moving On: The American People Since 1945 (5th Edition):

0 of 0 people found the following review helpful. Easy to follow HistoryBy CustomerGreat book for studying History!0 of 0 people found the following review helpful. Good purchaseBy JGood quality and value for the price, just a few highlight and pencil marks but that is no big deal0 of 0 people found the following review helpful. Five StarsBy RobertoGreat book

Combines traditional history with a focus on the American people. A comprehensive overview of U.S. History since World War II, Moving On weaves together political, economic, diplomatic, and military history, while incorporating the social, demographic, environmental, and cultural history of the period. The text also features a focus on the late 1960s as a major turning point in post-war America. Learning Goals Upon completing this book readers will be able

to: Understand the key events, players, and issues that define post 1945-America

“This text offers the best mix of readability, topicality, and affordability on the market today.” -Burke Miller, Northern Kentucky University “This is a competently written if not especially sophisticated text, which benefits from logical organization and a widely-applicable reading level.” -Blaine Brown, Broward College “I’ve always liked Moving On and will definitely continue to assign it in my classes... I especially like the attention to the Supreme Court and to religion, which other texts miss....Thumbs up to Moving On!” -Yanek Mieczkowski, Dowling College
