Stated first edition bound in blue cloth with gold spine lettering. BW illustrations, 8vo (9.5 X 6.5") size. 477pp. A near fine copy in a very good dust jacket. The book's cloth covers are lightly rubbed at its spine tips and slightly dusty at the upper edge of the front panel else tight and clean. The interior is bright, clean and unmarked. The dust jacket has frays to the spine tips. Tears and creases along the upper edge of its front panel and rubs to its corners.
