J. T. Headley : Napoleon And His Marshals V1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon And His Marshals V1:

1 of 1 people found the following review helpful. Old but good By Mick Maye The author is clearly a fan of Napoleon, however the points he makes are valid and in the main argued well. The English bias in most history books is incomprehensible and in most instances here the discussion points out these points. Definitely worth a read to get the background on Napoleon's generals.

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages.
