**George Nafziger : Napoleon at Leipzig: The Battle of Nations** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Napoleon at Leipzig: The Battle of Nations:

11 of 11 people found the following review helpful. Rare and Outstanding! By C. Wayne Swenson The great battle of the Napoleonic wars, Leipzig has received scant print from scholars, professional and amateur alike. The good works of those who do cover the Leipzig Battle often show a glaring weakness: a lack of outstanding maps, a lack of organizational cohesion, or some other issue palpable to the reader. Fortunately, Nafziger, as usual, submits a remarkably solid work. Military confrontations of this size are very technical and exceeding difficult to bring to life on

paper. Nafziger, however, demonstrates a profound gift for doing just that. I highly recommend this work, as well as Nafziger's companion pieces on the 1813 campaign. Much like John Gill's trilogy about the 1809 Danube campaign, the three works by Nafziger on the 1813 campaign are treasures. Regrettably, they've become rarified and, at least in hard cover, command very high prices, which make the quality of these recommendations to prospective buyers exceptionally important. In my humble opinion, a very good purchase at most prices!!0 of 0 people found the following review helpful. Great tables and orders of battle complement his other two ...By CustomerAgain George has brought forth a top notch piece of historical research.Great tables and orders of battle complement his other two volumes in the trilogy of the 1813 campaign in Germany.A must for any true Napoleonic's enthusiast.17 of 33 people found the following review helpful. Nafziger-the 1st class Napoleonic writerBy A CustomerLeipzig is the greatest and biggest battle of all Napoelonic battles ever fought. This is a shame that only G. Nafziger wrote book about this epic battle. I like this book. The maps are fine, and the descriptions of the battles, including the Battle of Leipzig, are interesting. But this book is rather for Americans and Europeans, not for the British. They are interested only in Waterloo, and Peter Hofschroer. This book is also a big stuff for all wargamers.

The Battle of Nations 1813 Leipzig dashed the dreams of a French Empire when the armies of Prussia, Russia, Austria, and Sweden converged on Napoleon and his Grande Armée. It was the greatest battle of the Napoleonic Wars, so decisive it would be called the Battle of Nations. Smaller countries like Poland and Saxony seemed to be submerged in the titanic struggle, and the battle shaped Europe for more than a century. Napoleon at Leipzig not only covers this pivotal battle, but also the maneuvers that led up to it and the retreat that followed. At Hanau, the Bavarians learned to their dismay that Napoleon was still the master of the battlefield. The book includes the campaigns of Marshal Davout in the north, and the fate of the besieged French fortresses. From glittering field marshals to ragged Cossacks, in massive battles or small skirmishes, we see the dramatic campaign unfold. George Nafziger's intensive research into the 1813 campaign shows how the finest general of all time was bought to bay. The greatest battle of the Napoleonic Wars, and the campaign that led up to it, is thoroughly studied for the first time in English in Napoleon at Leipzig.

About the AuthorGeorge F. Nafziger, PhD, Captain USNR-Ret. earned his BA and MBA at Miami University, Oxford, Ohio, and his PhD From the Union Institute, Cincinnati, Ohio. His first book, "Napoleon's Invasion of Russia", was published in 1988 and was the first of a series of works on the Napoleonic Era. He has served as a Director of the Napoleonic Society of America and the Napoleonic Alliance. He is a fellow of the Le Souvenir Napoléonienne Internationale, and runs the Nafziger Collection, Inc., a publishing house specializing in military history. He served in the US Navy for 4 years and a further 20 in the US Navy Reserves. He did two tours to Vietnam and experienced combat firsthand.
