John Stevens Cabot Abbott : Napoleon Bonaparte before purchasing it in order to gauge whether or not it would be worth my time, and all praised Napoleon Bonaparte:

3 of 3 people found the following review helpful. A French oriented view of Napoleon from an Englishman. By Travellingman Reading this book was really interesting for me as it contradicted things that I had been taught in my youth. I was brought up in an English biased school system, in Jamaica, and read books written by British writers. As a result my view of Napoleon has always been that he was a military genius whose genius and boundless energy was

misdirected. This book contradicts that view and has motivated me to read more about him. I recommend it. 2 of 2 people found the following review helpful. Kindle edition discombobulated. PLEASE REMOVE! By R. Proulx Beginning is not the beginning. Parts are out of order or missing entirely. There are even parts of some other book added, though I have no idea what its title is. However, this is an exception to this most exceptional series of biographies written by the brothers Jacob and John Abbott in the mid-nineteenth century. 0 of 0 people found the following review helpful. A great read for free from Kindle By Martini Sword It's amazing what is available through the Kindle library, especially the free books. I'm always looking for a bargain and has a lot of great bargains in long-out-of-print books. If I need a particular book and I don't want to borrow from a library or purchase a used book, I'm always looking at 's free Kindle books first. It's a great service. Take advantage of it.

EasyRead Large books are available in 16pt, 16pt Bold, and 18pt Bold type. EasyRead Super Large books are available in 20pt. Bold and 24pt. Bold Type. You choose the format that is right for you. This work analyzes the life and achievements of Napoleon in the most exhilarating manner. He is not seen through the eyes of a scholar or historian but a common man who is highly amazed and flabbergasted at his achievements and conquests. The work portrays Napoleon as a hero highlighting his personal and political triumphs. To find more titles in your format, Search in Books using EasyRead and the size of the font that makes reading easier and more enjoyable for you.

About the Author John Stevens Cabot Abbott was an American writer born in Brunswick. He was a prolific writer of books on Christian ethics, and of histories which were valuable in their time in cultivating a popular interest in the subject.
