**Rene Chartrand : Napoleon's Army (Napoleonic Wars)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Army (Napoleonic Wars):

9 of 15 people found the following review helpful. Not very good.By A CustomerAny book that deals with uniforms has to have good, real looking pictures. this book only has two. All the other color pictures do not look real and they look very old. But, most pictures in this book are b/w.In this book it doesn't go very in depth about the uniforms.
