whether or not it would be worth my time, and all praised Napoleon's Campaign in Poland, 1806-7: A Military History of Napoleon's First War With Russia; Verified From Unpublished Official Documents (Classic Reprint):

Excerpt from Napoleon's Campaign in Poland, 1806-7: A Military History of Napoleon's First War With Russia; Verified From Unpublished Official Documents There is, it is true, an outline of it in Alison's History of Europe but that is hardly sufficient for the student of military history, and there is no good general map attached to it. Sir Robert Wilson's account of it is not available in every library, and it is not very accurate in many respects. The English text-books on military history, as a rule, scarcely allude to the campaign. The brief sketch of it in Adams's Great Campaigns is, unfortunately, marred by inaccuracies and misprints.
