David Johnson : Napoleon's Cavalry and Its Leaders before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Cavalry and Its Leaders:

1 of 1 people found the following review helpful. Outstanding overview of Napoleon's cavalry read with "The French Cavalry, 1792-1815"By Harry A PierceFast 5 read with details that inspire the reader to know more. The subject is pursued without drowning the reader in the ego's of the marshals of Napoleon. The reader needs to know more about Kellerman, LaSalle, DeFrance, Colbert and all the others who rode at the trot into cannon fire. Excellent read. Thanks, Harry!0 of 0 people found the following review helpful. Excellent and well writtenBy CustomerContents of

Book:Excellent and well written. Filled with information and facts. A must read for Napoleonic historians / fans.10 of 11 people found the following review helpful. Needs another 200 pagesBy CarletonAn excellent overview of Napoleons cavalry and its leaders as the title states. Well written, some interesting insights, personal anecdotes and fluid writing style makes this a cut well above average. I held back one star from this five star work as the subject could certainly have been 4 to 500 pages given the wealth of the subject.

Dressed in outrageously romantic uniforms and led by a flamboyant clique of aristocrats and ex-troopers, Napoleon's cavalry fought in Austria, Germany, Egypt, Italy, Poland, Belgium, and Spain. This account of the most remarkable and successful cavalry in history is the culmination of 30 years of research.
