From Palgrave Macmillan : Napoleon's Empire: European Politics in Global Perspective (War, Culture and Society, 1750-1850) before purchasing it in order to gage whether or not it would be worth my time, and all praised

Napoleon's Empire: European Politics in Global Perspective (War, Culture and Society, 1750-1850):

The Napoleonic Empire played a crucial role in reshaping global landscapes and in realigning international power structures on a worldwide scale. When Napoleon died, the map of many areas had completely changed, making room for Russia's ascendancy and Britain's rise to world power.

"Divided into four geographic sections inclusive of Scandinavia, Eastern Europe, South America and the Ottoman Empire, this volume opens and closes with two outstanding scholars who provide provocative presentations of Napoleon's European Empire, and each chapter inbetween offers interesting and important contributions to the multifaceted reach of the Napoleonic experiment. A brilliant collection on this rich era of transformation." - Katherine Aaslestad, West Virginia University, USA "This excellent and original collection of twenty two essays by leading Napoleonic scholars analyses the global impact of the Napoleonic Empire. The articles very competently address the historiography and profound transformations and legacy the Napoleonic era launched throughout Europe, the Atlantic World, and the Middle East." Alexander Grab, University of Maine, USA About the Author Virginia H. Aksan, McMaster University, Canada Jean-René Aymes, Université Paris III, France Lucia Maria Bastos Pereira das Neves, Rio de Janeiro State University, Brazil Emmanuel Berger, Université de Namur, Belgium Michael Broers, University of Oxford, UK Jarosław Czuby, University of Warsaw, Poland Brecht Deseure, Universität Passau, Germany Max Engman, Åbo Akademi University, Finland Bård Frydenlund, University of Oslo, Norway Bernard Gainot, Université Paris I, France Rasmus Glenthøj, University of Southern Denmark, Denmark Jean-Marcel Humbert, Independent Scholar, France Johan Joor, International Institute of Social History in Amsterdam, the Netherlands Annie Jourdan, University of Amsterdam, the Netherlands Armin Owzar, University of Paris 3 (Sorbonne Nouvelle), France Anna Maria Rao, University of Naples 'Federico II', Italy Stefan Rinke, Freie Universität Berlin, Germany Martin P.
