**Emir Bukhari : Napoleon's Guard Cavalry (Men-at-Arms)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Guard Cavalry (Men-at-Arms):

0 of 0 people found the following review helpful. informativeBy white tigerinformative3 of 4 people found the following review helpful. magnificenceBy Eduardo J. Tellez AI have to tell you the true the format of the Osprey Books is not my favorite but I can Not lie about the Uniforms Plates, they are one of the best may be not the most accurate but they are truly beatiful and great,the work of Angus McBride is one of the best modern Illustrator. May be the content is not new for the Napoleonic Historian but if you are beigning to study more about this Elite Guard this is the one to start. Mr Emir Bukhari gave us a small intro to each Force Grenadiers a Cheval,Chasseurs a Cheval,the famous Polish Lancer the 1Rg and The Second(Red Lancers)Dragoons,Gardes D'Honneur and the Mameluks in 8 plates We can review each Force with the help of 40 b/w Photos taken from the Bucquoy Serie "Les uniformes du

Premier Empire" if you like this book I recommend the other titles; 55.Napoleon's Dragoons and Lancers, 64.Napoleon's Cuirassiers and Carabiniers, 68.Napoleon's Line Chasseurs, 76.Napoleon's Hussars, All by the same author and Illustrator, but if you really want a feast for the eyes look for The NAPOLEON'S ELITE CAVALRY: Cavalry of the Imperial Guard, 1804--1815 by the celebrated artist Lucien Rousselot

This title examines some of the most colourful and fanciful uniforms in military history, those of Napoleon's Guard Cavalry. The detailed text covers units such as the Grenadiers à Cheval; the Empress's Dragoons; the Chasseurs à Cheval; the Mamelukes; the Gardes d'Honneur; the Polish Lancers; the Dutch Lancers; the German Lancers and the Lithuanian Tartars. A plethora of illustrations complement the text, including eight fine full page colour plates by inimitable Angus McBride, providing admirably detailed reconstructions of uniforms and accompanied by ten pages of commentaries.

From the PublisherPacked with specially commissioned artwork, maps and diagrams, the Men-at-Arms series is an unrivalled illustrated reference on the history, organisation, uniforms and equipment of the world's military forces, past and present.From the Back CoverThis book focuses on the uniforms of Napoleon's Guard Cavalry, from The Heavy Cavalry to The Plates.About the AuthorEmir Bukhari is a renowned expert on the French army of the Napoleonic era. He has written several books for Osprey's Men-at-Arms series and he remains one of our most popular authors.
