Stephen Maughan : Napoleon's Line Infantry Artillery: Recreated in Color Photographs (Europa Militaria Special) before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Line Infantry Artillery: Recreated in Color Photographs (Europa Militaria Special):

The hobby of living history, and military re-enactment in particular, is growing in popular around the world. Photographer Stephen Maughan followed the European re-enactment circuit for four years, assembling an astonishing

portfolio of color photographs that bring the troops of the First French Empire to life. Here, in stunning all-new color photographs, are the infantry and gunners who followed Napoleon into legend. Dedicated enthusiasts have painstakingly re-created the soldiers' uniforms, equipment, weapons, and tactics, contributing profoundly to the store of knowledge about this bygone era. The painstaking re-creation of these troops allows modern access to a subject invaluable to modellers, war-gamers, and students of military history.
