R.P. Dunn-Pattison : Napoleon's Marshals before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Marshals:

3 of 3 people found the following review helpful. Good overview of the marshals during the pre-WWI eraBy Nicholas RobertsDunn's book on Napoleon's marshals can be considered an early precursor of the version edited by Chandler in the 20th century. Written in the 19th century before the advent of mechanized warfare it gives the reader a good look at how the marshals performed through the eyes of near contemporaries. The books is divided into chapters with one marshal per chapter. Overall Dunn is sympathetic to the marshals, perhaps recognizing the inherent difficulties of warfare at that time. Many modern writers are rough on these talented commanders and put them down as

incompetent. Dunn does not do so. He gives a good evaluation of their skills, their military career and their lives in general. Unlike Chandler's later book this is written by Dunn and therefore it is HIS opinion of the commanders. If you want different views of the marshals I would suggest Chandler as some are critical and others are praiseworthy. Comparing the evaluation of these two books would be highly recommended to see what the marshals military thoughts were really like. 0 of 0 people found the following review helpful. Well written and historically accurate !By Alex OffuttGreat read! Just what I was looking for! I would recommend this to anyone interested in individual mini-biographies of Napoleons Marshalls1 of 1 people found the following review helpful. Great reference bookBy Luis FernandezInformative history with a British slant.The facts speak for themselves, the interpretation may vary.Great reference book.

The long-awaited reprint of this classic book provides a detailed account of the men selected by Napoleon to lead his armies in Europe. It reveals the bravery, incompetence, loyalty, and strategic brilliance of these opportunity-hungry nobles as they helped Napoleon retain the imperial crown.

About the AuthorR.P. Dunn-Pattison served as a lieutenant with the Argyll and Sutherland Highlanders and was a lecturer at Magdalen College, Oxford.
