Napoleon Napoleon : Napoleon's Maxims of War (Classic Reprint) before purchasing it in order to gage whether or not it would be worth my time, and all praised Napoleon's Maxims of War (Classic Reprint):

0 of 0 people found the following review helpful. Five StarsBy CustomerGreat read.1 of 1 people found the following review helpful. recomended for anyone studying strategiesBy LeeMet my expectations. Easy to read with examples of each Maxim.

Excerpt from Napoleon's Maxims of War" After refreshing my memory by looking over again 'The Officer's Manual,' or 'Maxims of Napoleon,' I think I may safely recommend the republication, in America, of the work in English, as likely to be called for by many officers, regular and volunteer. It contains a circle of maxims, deduced from the highest source of military science and experience, with practical illustrations of the principles taken from the most celebrated campaigns of modern times. The study of the book cannot fail to set all young officers on a course of inquiry and reflection greatly to their improvement. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
