Stephen G. Hyslop : National Geographic The Old West before purchasing it in order to gauge whether or not it would be worth my time, and all praised National Geographic The Old West:

0 of 0 people found the following review helpful. Very Nice Book. By DLC Very nice coffee table type book. A lot of excellent illustrations and photos. 0 of 0 people found the following review helpful. Two Stars By Monte Walsh Seems revisionist to me! Not thrilled with it 0 of 0 people found the following review helpful. I can safely say it's going to be a great read, with many outstanding photos. By Customer After a quick brushing through the book, I can safely say it's going to be a great read, with many outstanding photos. I was most impressed by how fast you folks got it to me, and that was totally because of the work and assistance of Rachel M. who was "phenomenal".

From Lewis and Clark's epic 1803 expedition to the showmanship of Buffalo Bill, the story of the American West is epic in scope, full of amazing tales of tragedy and triumph. Lavishly illustrated with vivid photographs and intricate maps, The Old West is the definitive history of a time and place that forever lives in legend. Brimming with outlaws, miners, cowboys, Indians, railroad barons, and more, the characters of the Old West come alive in these dazzling

pages, capturing the imagination and inspiring exploration. Travel with fur traders and trappers through the Pacific northwest; read accounts of brave pioneers heading west along the Oregon Trail; see 19th century technology progress as the golden spike connects the East and West coasts; and watch the rise and myth-building of the American cowboy unfold. Exciting, dramatic, and entertaining, this unforgettable book honors the colorful history of our nation's past.

About the Author Stephen G. Hyslop, author, has written several books on American history, including National Geographic's *Eyewitness to the Civil War* and *Atlas of the Civil War*. A former writer and editor at Time-Life Books, he contributed to many volumes on the Second World War, including *Great Photographs of World War II*, *Lightning War*, and *Barbarossa*. His articles have appeared in *American History*, *World War II*, and the *History Channel Magazine*.
