This year's calendar had special significance to me, since I served on the Big E during Vietnam. The January print is a nice copy of the Yankee Station canvas, by RG Smith. It also highlights days that are significant in the history of the US Navy. 0 of 0 people found the following review helpful. Must be good it has 12 months. By Rick. It's a calendar, hard to write a review. Must be good it has 12 months, 52 weeks and yes 365 days. Doesn't do much, just hangs on the wall. So, yes it fulfills my expectations. 0 of 0 people found the following review helpful. Five Stars. By Frederick Mullis. Best Calendar of Naval Ships available. Just wish there were more shots of The LEGEND!

The Navy calendar is a tribute to the men and women who have fought to protect our nation, to deter aggression, and to maintain freedom of the seas. Navy and Marine Corps action over the past 240 years is represented here in full color paintings. Significant events in Naval history are listed in every month. Sales of the calendar benefit the Naval Historical Foundation.
