The Best Performance Writing GuideBy RaceI was very pleased with the excellent condition of the used Navy and Marine Corps Performance Writing Guide I purchased. It was listed on the website as "good," but was in far better shape. The price, under \$3.00, was also very surprising as it retails new for \$27.95. I have had to borrow this from the library in the past, but now have my own edition that will get lots of use.0 of 0 people found the following review helpful.
