During the 1930s and 1940s, a unique and lasting political alliance was forged among Third Reich leaders, Arab nationalists, and Muslim religious authorities. From this relationship sprang a series of dramatic events that, despite their profound impact on the course of World War II, remained secret until now. In this groundbreaking book, esteemed Middle East scholars Barry Rubin and Wolfgang G. Schwanitz uncover for the first time the complete story of this dangerous alliance and explore its continuing impact on Arab politics in the twenty-first century.
