Ernest C. Withers : Negro League Baseball before purchasing it in order to gauge whether or not it would be worth my time, and all praised Negro League Baseball:

0 of 0 people found the following review helpful. OUTSTANDING BOOKBy StynerOutstanding book. Many great photographs. Learned much more than I knew before about this fascinating era in history.1 of 1 people found the following review helpful. Great book!By estofMarvelous history. Was purchased as a graduation gift for a baseball player and fan of its history -- he was thrilled.0 of 1 people found the following review helpful. Totally SatisfiedBy Larita M. BeardenThis book was for a friend. I wish I had ordered one for myself as it's a precious piece of history. My friend had a hard time getting it from her father and she loves the book. So does her dad.

A visual history of the Negro Leagues documents both the years of its integration and the communities in which they were played, featuring duotone plates of such legends as Satchel Paige, Jackie Robinson, and Hank Aaron. 30,000 first printing.

About the AuthorErnest C. Withers has photographed the African-American community for more than 50 years, documenting the struggle for civil rights, the black social world, and the Negro Leagues. He lives and works in Memphis. Daniel Wolff has published poetry, short stories, and critical writing on photography, as well as a biography of Sam Cooke, *You Send Me*. He lives in Nyack, New York. Willie Mays, the baseball Hall of Famer, began his career in 1948 with the Negro Leagues and went on to play in 24 All-Star games and participate in four World Series.
