**General Sir James Shaw Kennedy : Notes on the Battle of Waterloo (The Spellmount Library of Military History)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Notes on the Battle of Waterloo (The Spellmount Library of Military History):

First published in 1865, this is a facsimile of an extremely rare and lively account of the Battle of Waterloo by the Quartermaster-General of General Baron Alten's 3rd Division. Kennedy is credited with inventing a new tactic for formations of infantry to withstand cavalry onslaughts.
