André Jouineau, Jean-Marie Mongin : Officers and Soldiers of the American Civil War, Vol. 1: Infantry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Officers and Soldiers of the American Civil War, Vol. 1: Infantry:

Seldom if ever have so many Civil War uniforms, all in breathtaking color, been gathered in one volume. 84 color plates depict over 300 infantry uniforms for both North and South, along with flags and equipment. Regulation uniforms are covered, along with musicians, special units, state militias, and the non-regulation uniforms adopted in the field. The war's major battles are also explained with the assistance of 20 new color maps.
